EXPERIENCE

Full Stack Web Developer

Skillhub IT Solutions

06/2023 - 12/2024 Chhatrapati Sambhajnagar, MH

Skillfully Contributing to Innovative Web Solutions

- Collaborated with senior developers to develop dynamic web applications.
- Actively participated in team meetings and code reviews to enhance knowledge sharing and project outcomes.
- Conducted comprehensive testing and debugging procedures.

PROJECTS

URL Shortener

09/2023 - 10/2013 Chhttrapati Sambhajnagar, MH

URL

URL Shortener Project Overview

- Created a user-friendly URL Shortener using Python, Flask, HTML, CSS, and JavaScript. Results include streamlined online content sharing and demonstrated proficiency in web development and MD-SAL integration.
- Integrated with the Model-Driven Service Abstraction Layer (MD-SAL) for efficient link management.
- Implemented custom short link generation and a seamless user interface. Achieved seamless link redirection for enhanced user experience.

MongoDB Attendance Management System

11/2023 - 12/2023 Chhtrapati Sambhajnagar, MH

URL

Technologies Used:

- Node.js: Powers the backend logic for handling requests and interacting with the database.
- MongoDB: Stores attendance data in a flexible and scalable manner.
- Express.js: Simplifies API development and routing.
- JSON Web Tokens (JWT): Enables secure authentication.
- HTML, CSS, and JavaScript: Create an intuitive and engaging frontend interface.
- Our attendance system employs Node.js and MongoDB for backend operations, Express.js and JWT for secure API development, and HTML/CSS/JavaScript for an intuitive frontend.
